

*Amendments to the Drawings*

The attached annotated sheet of drawings includes amendments to Fig. 2. This sheet, which includes Fig. 2, indicates Applicants' proposed changes to the original sheet including Fig. 2. In Figure 2, step 260 has been changed, as per the Examiner's request and Applicants' specification to, "Initiate link mode restoration" from "Initiate link more restoration".

Attachment(s):        1 Annotated Drawing Sheet Showing Proposed Changes
